Patents Showing: View as: Patents **1 - 10** on **library representing features and library representing concept and library representing constraint**. (0.05 seconds)

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Method for representation of knowledge in a computer as a network database ...

US Pat. 5379366 - Filed Jan 29, 1993

... associating ancestors- and with said input expression the **library** system
concept in ... 65 **concept**. 31. The method for **representing** information in a 37.

...

Adaptive collaborative intelligent network system

US Pat. 6513059 - Filed Aug 24, 2000 - Cambira Corporation

An Awit **Library** is an application programming **library** and ... a **constraint** and a
rule, referred to collectively as "Rules," concerning the node object; ...

COMPUTER SYSTEM AND COMPUTER IMPLEMENTED PROCESS FOR REPRESENTING SOFTWARE ...

US Pat. 6370681 - Filed Oct 28, 1997 - Massachusetts Institute of Technology

... support for **representing** and transforming software architecture diagrams.

... is a computer system for storing a **library** of coordination processes, ...

Further method of creating and rapidly searching a virtual **library** of ...

US Pat. 6240374 - Filed Jul 20, 1997 - Tripos, Inc.

... (each possibly **representing** perhaps millions of structures by including more

... Each combinatorial screening **library** based on these materials only ...

Method and system for tuning of components for integrated circuits

US Pat. 6219822 - Filed Aug 5, 1998 - International Business Machines Corporation

In a block 100, a schematic diagram **representing** a circuit is selected. ... 35

formulas are created by the user or exist in a built-in **library**. ...

System to transition an enterprise to a distributed infrastructure

US Pat. 5960200 - Filed Sep 16, 1996 - I-CUBE

More specifically, the frames **representing** general concepts are referred to as

... class **library**, which allows cross-platform development for Windows 3.x, ...

Apparatus and method of network distribution of record data using ...

US Pat. 5974177 - Filed Feb 13, 1998 - Canon Kabushiki Kaisha

Each pattern vector element has one binary state **representing** a pattern stroke

... elements are **features** of the feature based OCR techniques, the **library** of

...

System for interactive clause window construction of SQL queries

US Pat. 5418360 - Filed Sep 21, 1994 - International Business Machines Corporation

... manageable SELECT **library** list, rization, etc., similar to a physical table.

However, the a set of action buttons, a set of buttons **representing concept** ...

Discrete event simulation tool for analysis of qualitative models of ...

US Pat. 4965743 - Filed Jul 14, 1988 - The United States of America as represented by the Administrator of the National Aeronautics and Space Administration

Rather than **constraint** discontinuously from event to event Current queueing- 3Q

tion, ... new methods for **representing** able clusters in another component. ...

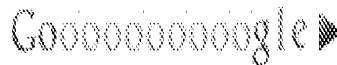

Dynamic adaptation of GUI presentations to heterogeneous device platforms

US Pat. 7234111 - Filed Sep 28, 2001 - NTT Docomo, Inc.

11 12 ments, the scalable GUI component **library** module 22 may be mapped to ...

Further, the IR tree preferably mimics the hierarchal container **concept** of ...
